Academic Medical Center, University of Amsterdam

Lecture Hall 5 / Accreditation: 12 hrs.

Under the patronage of

Educational grant from

Symposium endorsed by

Dear endoscopist and endoscopy-nurse,

We are very happy to announce our traditional annual course entitled 'Endosonography Live in Amsterdam' for the year 2011. This will be the 14th issue of our well-known EUS-course which will this year be held on 9 & 10 June, 2011 at the Academic Medical Center in Amsterdam.

We have again been able to compose a 'dream-faculty' with of course the core team members **Rob Hawes** and **Thomas Rösch**, who both have never missed a course. But also our 'old hands' **Bertrand Napoleon**, **Marco Bruno**, **Anand Sahai** and **Micheal Levy** will again be present to expertly explain EUS problems and show their techniques. New-comers to the AMC-course but also very experienced endosonographers as well as excellent teachers are **Brigitte Schumacher** from Düsseldorf and **Stefan Seewald** from Zürich.

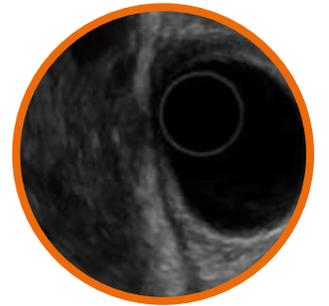

We will, as always, focus on teaching EUS from indication to the procedure itself. The course is meant both for the experienced and the less experienced endoscopist. As the combined training of doctors and nurses becomes more and more the standard, we truly hope to welcome many EUS-teams for this 14th issue of our EUS course.

We look forward to see many of you in the late spring of 2011 in Amsterdam!

Yours sincerely,
Paul Fockens
(on behalf of the organizing committee)

PROGRAMME EUS2011

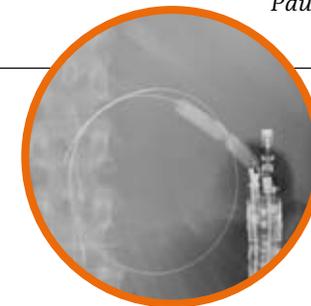

Live in Amsterdam, Lecture Hall 5

Thursday 9 June 2011

Chair: Guido Tytgat & Paul Fockens

08.30	Registration & coffee
